Enthusiastic and self-motivated web developer with 2+ years of experience. I am professional website Developer working on different technology to developed websites. I have completed my graduation from IGNOU UNIVERSITY. I have skilled with : HTML ,CSS,JavaScript ,Wordpress,MySQL,etc.

## Experience

### Front-end Developer

December 2022 - Present

- I've been freelancing as a Front-end Developer here for the last two year.
- During my two-year tenure as a Front-End Developer at SP MARKETER, I've had the opportunity to contribute to the company's pioneering efforts in digital marketing.
- In my position, I've helped create advanced front-end solutions that combine creativity and practicality. Working together with my team, we've consistently exceeded client expectations and set higher standards for front-end development.
- Perform testing on web pages, analyze user feedback, and coordinate with cross-functional teams to identify opportunities to enhance web page responsiveness.
